### Vehicle Description

This truck is a real looker with Matt black alloy wheels, smoke headlamp and tail lamp lenses, blacked out grille and tinted windows. It's a fully loaded vehicle with all the basic power options, A/C, tilt steering, cruise control, Blue tooth, mp3 player, rear sliding window and a trailer tow package. This is a no accident truck with only glass claims and has had 2 owners in it's 13 year history. it just had a full synthetic oil change with new cabin and engine air filter. We also replaced 5 TPMS sensors, (spare included) and both left and right front axles and wheels seals. The truck looks and runs very well.
