Vehicle Description

This beautiful Mercedes crossover is absolutely mint inside and out, with extremely low km for the model year. All wheel drive! Just spent over \$6000 to completely overhaul the air suspension. This is a sleek, fully loaded 6 seater with heated power-adjustable seats, heated power-adjustable steering wheel, a huge panoramic skyroof, air suspension for comfort or sport, and tons more. This vehicle will definitely not disappoint!

A no-charge, 3 month / 5000 km Lubrico warranty is included, a \$499 value. Up to 4 years / 90,000 km can also be purchased for an additional fee.

On our optional extended warranties, you'll save up to 1/2 the cost of regular pricing.

An admin fee of \$195 will be added - quite possibly the lowest in the province. No other hidden fees and dealer markups. That's the DRIVERS Difference.
