### FEATURES & OPTIONS

### Vehicle Description

2006 Ford Mustang GT with a powerful V8 engine, with only one owner and in excellent condition with low mileage. This iconic American muscle car is a rare find with the V8—clean, sharp, and ready to deliver an exhilarating driving experience.

The engine roars to life and offers the kind of performance Mustang enthusiasts love, paired with a smooth-shifting transmission that makes every drive memorable. The car's exterior shines with its original paint, showing only minimal signs of wear, while the leather interior is in equally great shape—clean, smoke-free, and comfortable.

Everything functions exactly as it should, from the ice-cold A/C to the premium sound system. It's been routinely serviced and needs nothing but a new driver.

With its aggressive styling, strong engine, and unmodified, well-preserved condition, this one-owner Mustang GT stands out as a collector-worthy vehicle or a weekend cruiser that still turns heads.

A no-charge, 3 month / 5000 km Lubrico warranty is included, a \$499 value. Up to 4 years / 90,000 km can also be purchased for an additional fee.

On our optional extended warranties, you'll save up to 1/2 the cost of regular pricing.

An admin fee of \$195 will be added - quite possibly the lowest in the province. No other hidden fees and dealer markups. That's the DRIVERS Difference.
