FEATURES & OPTIONS

Vehicle Description

2007 Acura RDX with the factory Technology Package, in very good condition and backed by excellent service records. This luxury compact SUV offers a perfect blend of performance, comfort, and advanced features, making it a smart and stylish choice for anyone looking for a well-rounded vehicle.

Powered by a responsive 2.3L turbocharged engine paired with Acura's renowned Super Handling All-Wheel Drive (SH-AWD) system, this RDX delivers a confident and engaging driving experience in all weather conditions. The factory Technology Package includes a premium navigation system with voice recognition, a rearview camera, and an upgraded 10-speaker Acura/ELS surround sound audio system with DVD-Audio capability, Bluetooth connectivity, and satellite radio.

The interior is clean and well-maintained, with leather seats, a power sunroof, dual-zone climate control, and all the comfort and convenience you expect from Acura. The exterior is in great shape, showing only minor wear consistent with careful use. This vehicle has been regularly maintained with detailed service records available, reflecting the care and attention it has received over the years.

This 2007 RDX runs smoothly, and handles beautifully. It's a fantastic option for drivers who want upscale features and reliable performance without the new-car price tag.

A no-charge, 3 month / 5000 km Lubrico warranty is included, a \$499 value. Up to 4 years / 90,000 km can also be purchased for an additional fee.

On our optional extended warranties, you'll save up to 1/2 the cost of regular pricing.

An admin fee of \$195 will be added - quite possibly the lowest in the province. No other hidden fees and dealer markups. That's the DRIVERS Difference.
