FEATURES & OPTIONS

Vehicle Description

Low kilometres on this 2016 Honda Civic - a sleek, sporty ride that's ready to hit the road in style. This well-maintained vehicle comes with low kilometres and a responsive 6-speed manual transmission, giving you full control and a more engaging driving experience. Its tinted windows add a sharp, aggressive look while providing extra privacy and UV protection.

Outfitted with brand new tires and eye-catching rims, this Civic not only performs well but looks the part too. Inside, you'll find modern comforts like automatic climate control to keep you comfortable year-round, along with cruise control for those longer drives. Safety and convenience are covered with a built-in backup camera and Bluetooth hands-free connectivity, letting you stay focused and connected without distractions.

This 2016 Civic is the perfect blend of sportiness, reliability, and modern tech - don't miss your chance to own it.

At DRIVERS, your new vehicle comes with peace of mind included — starting with a **no-charge 3-month or 5,000 km Lubrico warranty**, a \$499 value provided to you at no extra cost. For those who want longer-lasting protection, we offer **extended warranty options of up to 4 years or 90,000 km**, giving you confidence well into the future.

What sets us apart? On our optional extended warranties, you'll save **up to half the cost** compared to regular retail pricing at other dealers. Plus, our straightforward pricing means there are **no hidden fees or dealer markups** — just a **\$195 admin fee**, which is quite possibly the lowest in the province.

At DRIVERS, we do things differently—and have for the past 23 years in the same location. Why? Because our reputation means everything to us. We don't have any commission sales staff, and we don't believe in pressure. Our team is here to help, not to hustle.

That's the **DRIVERS Difference**: real value, real protection, and real transparency — exactly what you deserve when buying your next vehicle.
