### Vehicle Description

This is a rare 2007 Ford Mustang GT with V8 and 5 speed manual transmission, having very low kilometres and no accidents. Unmodified and completely stock, this Mustang has been kept exactly as it left the factory—no aftermarket parts, no alterations, just pure, original performance. This vehicle stands out not only for its condition but also for its authenticity. It's a collector's gem that's been meticulously cared for, making it the perfect choice for someone looking to own a piece of automotive heritage. If you're seeking a powerful, well-preserved, and unmolested Mustang GT, this one deserves your attention. Don't miss the chance to drive or collect one of the last great modern muscle cars in near-original condition.

At DRIVERS, your new vehicle comes with peace of mind included — starting with a **no-charge 3-month or 5,000 km Lubrico warranty**, a \$499 value provided to you at no extra cost. For those who want longer-lasting protection, we offer **extended warranty options of up to 4 years or 90,000 km**, giving you confidence well into the future.

What sets us apart? On our optional extended warranties, you'll save **up to half the cost** compared to regular retail pricing at other dealers. Plus, our straightforward pricing means there are **no hidden fees or dealer markups** — just a **\$195 admin fee**, which is quite possibly the lowest in the province.

At DRIVERS, we do things differently—and have for the past 23 years in the same location. Why? Because our reputation means everything to us. We don't have any commission sales staff, and we don't believe in pressure. Our team is here to help, not to hustle.

That's the **DRIVERS Difference**: real value, real protection, and real transparency — exactly what you deserve when buying your next vehicle.
